Advanced beyond engineering,
Acura brochures are printed with
the planet's future in mind.

2010
TSX

TSX

A new generation, defined.

The 2010 Acura TSX. From its acrobatic agility and race-inspired engineering to its breakthrough exterior style, the TSX is an aggressive sport sedan designed to empower a new generation of Acura drivers. It's a new age of automotive advancement and a new form of confidence.

**TRACK-TUNED SUSPENSION**

The TSX's razor-sharp handling and fluid ride come from its 4-wheel independent suspension with front double-wishbone and rear multi-link design. The suspension is track tuned to reduce overall vehicle lift, dive and body roll during spirited driving conditions, enhancing the vehicle's agility and virtually intuitive responsiveness.

ELECTRONIC POWER STEERING (EPS)

When it comes to agility and uncompromising control, the Electronic Power Steering system in the TSX proves it is possible to improve on perfection. From the stable, on-center feel at highway speeds to the precise, responsive handling in curves, EPS lets you rewrite the rules of the road one corner, curve or turn at a time.

VEHICLE STABILITY ASSIST (VSA®)

Vehicle Stability Assist (VSA) with Traction Control provides you with added stability and control during acceleration, braking and cornering. The VSA system detects and corrects understeer and oversteer situations and, in an instant, electronically reduces throttle or applies braking to individual wheels to compensate based on actual driving conditions.

i-VTEC® ENGINE

Harness all the horsepower you can handle with the TSX's intelligent Variable Valve Timing and Lift Electronic Control (i-VTEC) engine. Race-inspired to its innovative core, the advanced i-VTEC engine features a dual-cam profile on a single shaft to electronically regulate the cam profiles, valve lifts and opening durations for maximum engine response and fuel efficiency. In short, it's aggressive low-end torque, inspiring high-speed horsepower and excitement all round.

HORSEPOWER AND TORQUE

Inside the compact 2.4-litre, 16-valve, DOHC, i-VTEC engine, you'll discover more than just 201 horsepower and experience more than just 172 lb.-ft. of robust torque. You'll learn how driving a low-emission vehicle with a Tier 2 Bin 5 rating doesn't have to come at the expense of horsepower. And you'll feel the kind of exhilaration that comes from lap after lap of engineering achievement through competitive motorsport racing.

V-6 ENGINE

New to the 2010 TSX is the introduction of a powerful, yet remarkably efficient, six-cylinder engine. Available with the TSX V-6 Package, the 3.5-litre, 24-valve, SOHC, VTEC® V-6 engine rewards you with 280 horsepower @ 6200 rpm, 252 lb.-ft. of torque @ 5000 rpm and the kind of driving performance that leaves your imagination in the dust.

TSX to the tune of 6 cylinders.

6-SPEED MANUAL TRANSMISSION

Drivers will marvel at the short-throwing control of the close-ratio 6-speed manual transmission. A masterful accomplishment, this track-tuned transmission was developed with precisely spaced gear ratios, allowing you to perform ultra-quick shifting.

5-SPEED AUTOMATIC WITH PADDLE SHIFTERS

Standard on V-6 models, and available on other TSX trim levels, is the thrill of real race-inspired paddle-shifting control. Conveniently mounted just behind the leather-wrapped steering wheel, you'll find paddle-shifting transmission controls. Add a touch of high performance to the already exciting 5-speed automatic and take charge of the up-and-down gear shifting yourself.

DRIVE-BY-WIRE THROTTLE SYSTEM™

The Drive-by-Wire Throttle System utilizes highly sophisticated and efficient electronic sensors to ensure continuous engine power. Based on your driving demands, the system measures acceleration, engine rpm and road speed to ensure the optimal engine throttle opening. The result is smoother, more powerful engine response when and where you need it.

The lightweight all-aluminum VTEC® and i-VTEC® engines are the source of the TSX's exceptional power-to-weight ratio and force behind its acrobat-like agility.

One quick look, flawlessly executed.

STYLE

Next-generation aerodynamics, design and style meet everything the new generation of sedan drivers want. Smooth-sculpted exterior. Flawlessly chiselled lines. Sleek front and rear bumper treatments. And a modern street style that leaves even the busiest, most sophisticated cities feeling a little intimidated.

HIGH-INTENSITY DISCHARGE (HID) HEADLIGHTS

See the city in a brilliant new light with the TSX's available High-Intensity Discharge low-beam headlights. Not only do HID headlights cast a brighter light than conventional headlights, but the lenses are also designed to produce a more precise, focused beam to increase your ability to see what lies ahead.

AVAILABLE 18-INCH WHEELS

For performance with presence, TSX V-6 models prowl on large 18-inch aluminum-alloy wheels that have been specifically designed to complement its aggressive exterior and ultra-sharp street style. And if there's any doubt as to what size wheel you're rolling on or how many cylinders are under your hood, V-6 models proudly sport their own unique V-6 badging. But for standards that are anything but, the TSX also offers standard 17-inch aluminum-alloy wheels that do an equally impressive job of reinforcing the TSX's sculpted body style and modern aerodynamic stance.

DUAL-OUTLET CHROME EXHAUST

At a glance, the integrated dual-outlet exhausts with chrome-tipped finishers add a stylish measure of curb appeal to the TSX's performance design and sculpted body style. By ear, it amplifies the kind of throaty engine sound that keeps other sedans awake at night.

Sounds about perfect.

BLUETOOTH® AUDIO INTERFACE

Standard in a TSX, but virtually unheard of in other sedans, is the Bluetooth-enabled audio interface. Now you can bring all your favourite tracks along for the ride and leave all your wires at home. It's the ultimate in wireless connectivity and an exciting new technology for a new generation of Acura drivers.

MP3/USB* AUDIO PLAYBACK

Conveniently located next to the 12-volt power outlet in the centre console, the USB device connector lets you plug in any number of compatible MP3 portable audio players, like an iPod®. Plus, you can control the playback volume and track selection from your steering wheel-mounted controls.

AVAILABLE ACURA ELS® PREMIUM AUDIO SYSTEM

Grammy® Award-winning sound engineer and producer Elliot Scheiner, together with Acura's engineers, developed the Acura ELS Premium Audio System specifically for the TSX. After measuring the acoustic architecture inside the cabin, 10 strategically positioned speakers were placed inside the TSX to maximize the power of the ELS Premium Audio System† with AM/FM/XM® Satellite Radio,*‡ MP3/WMA capability and a 6-disc in-dash DVD-Audio changer. The result is sound quality and clarity unlike anything you've ever heard, until now.

Technology Package shown.
 *Available with the Premium, Technology and V-6 Packages.
 †Available with the Technology Package.
 ‡Includes a no-charge trial for 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.xmradio.ca.

Speak up, out and freely.

Inside the 2010 TSX, available voice-activated satellite navigation, climate control and standard Bluetooth® technology provides you with the kind of confidence that extends beyond command and control to a world where you and technology become one.

HANDSFREELINK™ CONNECTIVITY

Stay in touch without losing your grip on the wheel. Program and link your Bluetooth-enabled wireless device to the HandsFreeLink interface to make, receive and transfer calls from your mobile phone without interruption. Provided your mobile phone is located inside the cabin, calling numbers will be displayed, your phone will respond to voice activation and you will hear the caller's voice over the vehicle's audio system. Plus, the system operates in English or French and is capable of integrating up to six different compatible mobile phones, turning your TSX into a hub of connectivity.

ACURA SATELLITE-LINKED NAVIGATION

Available with the Technology Package, this advanced satellite-linked navigation system can pinpoint your location almost anywhere in North America or provide driving directions to those hard-to-find places. Recognizing up to 600 verbal commands, the system is equipped with bilingual voice recognition software and features real-time directions by voice or moving-map display. Simply ask the system to show you the most direct route to your destination, offer a different route or, with the Zagat® Survey ratings, help you find a restaurant based on your choice of cuisine.

VOICE-ACTIVATED CONTROL

Most of the functions and features that are part of the available Technology Package can be controlled just by the sound of your voice. Press the steering wheel-mounted voice control button to set, or adjust, the dual-zone automatic climate control system or explore the world of convenience offered through your navigation system.

Seats five without reservation.

MODERN FIT AND FINISH

As stylish as the TSX is on the outside, an equal amount of attention has been focused on the modern fit and finish inside. The available perforated leather-trimmed interior* with titanium accents creates an air of contemporary refinement and the leather-wrapped steering wheel and shift knob offer you a classic touch of sophistication befitting a high-end luxury sport sedan.

ADVANCED SEATING

The moment you ease into the heated, tightly bolstered front seats it's obvious the TSX was designed with your comfort in mind. For drivers, finding the ideal seating position happens at the push of a button, using the 8-way power-adjustable driver's seat with lumbar support and available 2-position memory system. For the front passenger, there's a 4-way power-adjustable seat. And for everyone's convenience there's a 60/40 split fold-down rear seatback for functional storage of larger items or whatever your weekend has in store.

DUAL-ZONE CLIMATE CONTROL

Control is never an issue in the TSX with the driver and front seat passenger getting separate temperature controls to ensure their individual comfort. Plus, to make sure the set temperature never varies, the climate control system maintains the temperature level even under changing outside conditions.

Premium Package shown.
*Available with the Premium, Technology and V-6 Packages.

SAFETY

AIRBAGS

The TSX's six airbags are designed and positioned to help protect all occupants inside the cabin. Depending on the point and force of impact, the TSX will deploy the following: dual-stage, dual-threshold front airbags (SRS) that activate at one of two rates based on the severity of the impact; front side airbags with the innovative passenger-side Occupant Position Detection System (OPDS) that will not release if the system detects a small-sized or improperly positioned passenger; and side curtain airbags with a state-of-the-art rollover sensor.

ACTIVE HEAD RESTRAINTS

Moving both forward and upward, the TSX's active head restraints are designed to restrain head motion in the event of a rear impact and minimize neck injury.

MAINTENANCE MINDER SYSTEM

Instead of following a traditional kilometre-and-calendar maintenance schedule, the Maintenance Minder system calculates service needs based on your driving habits. This advanced system takes into account engine revolutions, stop-and-go traffic experience, weather extremes and the frequency of short trips to determine when your next service visit should be. The system also helps coordinate oil-servicing dates and other routine maintenance.

ACE™ BODY STRUCTURE

The Advanced Compatibility Engineering™ (ACE) body structure utilizes a high-tensile, high-efficiency steel body structure to provide enhanced protection from multi-directional collision. ACE reduces the concentrated force of a frontal impact by absorbing energy over a large area and dispersing it away from the vehicle occupants. Additionally, ACE is designed to help reduce occupant injuries caused in collisions between vehicles of different sizes.

ABS WITH EBD

The Anti-lock Braking System (ABS) helps maintain steering control when braking hard on wet, slippery or loose surfaces, and Electronic Brake Distribution (EBD) balances braking forces at each wheel to help compensate for passenger weight distribution inside the cabin. Plus, there's a Brake Assist feature that senses a panic stop and applies maximum braking power to help you stop quickly and safely.

TIRE PRESSURE MONITORING SYSTEM

Correct tire pressure is essential for performance, fuel efficiency and safety. Enter the advanced Tire Pressure Monitoring System (TPMS), which continually monitors the air pressure in each tire. If pressure drops in any tire, a transponder attached to the wheel's valve stem transmits the information to a receiver and a warning appears on your instrument panel.

REARVIEW CAMERA*

Available with the Technology Package, the rearview camera shows a colour image of the area directly behind the vehicle on your navigation-system screen. Even if the navigation system is turned off, the camera is activated automatically when you engage reverse.

At Acura, Safety Through Innovation is based on the idea that an advanced driving experience starts with advanced safety features. This guiding principle is reinforced through the extensive number of standard safety features and use of innovative technologies you'll find in all Acura vehicles.

INSURANCE INSTITUTE
FOR HIGHWAY SAFETY

A first for Acura.
A first for anyone.

Acura was the industry's first luxury automotive manufacturer to have its entire 2009 model line-up receive a Top Safety Pick rating from the Insurance Institute for Highway Safety (IIHS).

*Available with the Technology Package.

ENGINE

| | |
|--|---|
| Engine | 2.4-litre, 16-valve, DOHC, i-VTEC® 4-cylinder |
| Horsepower | 201 hp @ 7000 rpm |
| Torque – automatic transmission (AT) (Optional) | 170 lb.-ft. @ 4300–4500 rpm |
| Torque – manual transmission (MT) | 172 lb.-ft. @ 4300–4400 rpm |
| Displacement | 2354 cc |
| Bore and stroke | 87 x 99 mm |
| Compression ratio | 11:1 |
| Multi-Point Programmed Fuel Injection system (PGM-FI®) | |
| Electronic direct ignition system | |
| Recommended fuel | Premium unleaded |

Horsepower & Torque (SAE net, Rev. 08/04, SAE J1349)

DRIVETRAIN

5-speed automatic transmission with paddle shifters, Grade Logic Control and lockup torque converter (Optional)
Close-ratio 6-speed manual transmission with magnesium case
Drive-by-Wire Throttle System™
Front-wheel drive

CHASSIS

17" aluminum-alloy wheels
4-wheel independent double-wishbone front suspension with multi-link rear suspension
Electronic Power Steering (EPS)
Hydraulic gas-pressurized shock absorbers
Power-assisted, ventilated front disc/solid rear disc brakes
Tires: P225/50 R17 all-season

EXTERIOR

Body-coloured heated power side mirrors with integrated turn indicators
Chrome door handles
Front splash guards
Halogen low-beam headlights
Heat-rejecting green-tinted glass
Integrated dual-outlet exhaust with chrome-tipped finishers
Power moonroof with tilt feature, privacy glass and sliding shade
Rear window defroster with timer

CAPACITIES

| | |
|--------------------|-------------|
| Cargo volume | 357 litres |
| Fuel tank capacity | 70 litres |
| Passenger volume | 2677 litres |

SAFETY

3-point height-adjustable seat belts with front pretensioners
3-point seat belts with Automatic Locking Retractor (ALR)
3-point seat belts with Emergency Locking Retractor (ELR)
4-wheel Anti-lock Braking System (ABS) with Electronic Brake Distribution (EBD)
Active head restraints
Advanced Compatibility Engineering™ (ACE™) body structure
Brake Assist
Childproof rear door locks
Dual-stage, dual-threshold front airbags (SRS)
Front side airbags with passenger-side Occupant Position Detection System (OPDS)
Lower Anchors and Tethers for Children (LATCH) child-seat mounting system
Security and ECU Immobilizer Theft-Deterrent systems
Side curtain airbags
Tire Pressure Monitoring System (TPMS)
Vehicle Stability Assist (VSA®) with Traction Control

COMFORT & CONVENIENCE

Automatic day/night rearview mirror
Blue ambient cabin lighting
Centre console armrest with storage
Compass
Driver's and front passenger's illuminated vanity mirrors
Driver's and front passenger's seatback pockets
Dual-zone automatic climate control with air-filtration system
Exterior temperature indicator
Glove-compartment light
HandsFreeLink™-bilingual Bluetooth® wireless mobile phone interface with steering wheel-mounted controls
HomeLink® remote system
Illuminated steering wheel-mounted audio and cruise controls
Maintenance Minder system
Map lights
Multi-Information Display (MID)
Power door locks with key-operated windows up/down feature
Power windows with driver's and front passenger's auto-up/down
Rear-seat centre armrest with dual beverage holders
Remote entry system with panic and trunk-open features
Speed-sensing, variable intermittent windshield wipers
Tilt and telescoping steering column

ENTERTAINMENT

Acura Premium Sound System with AM/FM stereo, MP3/Windows Media® Audio capability, CD player and 7 speakers
Audio anti-theft feature
Bluetooth® Audio
MP3/auxiliary input jack

SEATING & TRIM

4-way power adjustment passenger's seat
8-way power adjustment driver's seat with manual lumbar support
60/40 split fold-down rear seatback
Aluminum shift knob (MT)
Floor mats
Heated front seats
Leather-wrapped steering wheel and shift knob
Premium cloth seats

FUEL ECONOMY

| | |
|--|-----------------------------|
| Automatic transmission (City/Hwy/Combined) | 9.6/6.5/8.2 litres/100 km* |
| Manual transmission (City/Hwy/Combined) | 10.5/7.0/8.9 litres/100 km* |

EXTERIOR DIMENSIONS

| | |
|---------------------|--------------|
| Curb weight – AT/MT | 1574/1542 kg |
| Height | 1439 mm |
| Length | 4715 mm |
| Track – front/rear | 1580/1580 mm |
| Wheelbase | 2705 mm |
| Width | 1840 mm |

INTERIOR DIMENSIONS

| | |
|----------------------------|--------------|
| Headroom – front/rear | 955/941 mm |
| Hip room – front/rear | 1411/1377 mm |
| Legroom – front/rear | 1078/872 mm |
| Shoulder room – front/rear | 1468/1426 mm |
| Seating capacity | 5 |

PREMIUM PACKAGE Adds to the TSX

Acura Premium Sound System with AM/FM/XM®† stereo with MP3/Windows Media® Audio capability, CD player and 7 speakers
2-position driver's seat memory
Automatic headlights
Fog lights
High-Intensity Discharge (HID) low-beam headlights
Perforated leather-trimmed interior
USB device connector

TECHNOLOGY PACKAGE Adds to Premium Package or V-6 Package

Acura Navigation System with bilingual Voice Recognition™, rearview camera and illuminated steering wheel-mounted controls
Acura ELS® Premium Audio System with AM/FM/XM®† stereo, MP3/Windows Media® Audio capability, 6-disc in-dash CD, DVD-Audio and DTS® changers and 10 speakers

ACCESSORIES

18" alloy wheel – ebony black
18" alloy wheel – super-bright chrome
Aero bumper – front and rear
All-weather floor mats – black or caramel
Ashtray – cup holder style
Body side mouldings
Car cover
Cargo hook
Cargo net
Cargo organizer
Cargo tray
Door edge guards
Door visors
Engine block heater
Fog lights
Full nose mask
Hood edge deflector
Interior trim kit – dark metal
Locking wheel nuts
Moonroof visor
Rear backup sensors
Rear bumper appliqué
Rear decklid spoiler
Rear splash guards
Rear wing spoiler
Remote engine starter
Select knob – AT
Side skirts
Steering-wheel garnish – dark metal
Steering-wheel trim – perforated leather
Trunk edge and bumper protector

V-6 PACKAGE Adds to Premium Package

3.5-litre, 24-valve, SOHC, VTEC® 6-cylinder engine
Horsepower: 280 hp @ 6200 rpm
Torque: 252 lb.-ft. @ 5000 rpm
Displacement: 3471 cc
5-speed automatic transmission with paddle shifters, Grade Logic Control and lockup torque converter
18" aluminum-alloy wheels
Fuel economy (City/Hwy/Combined): 11.3/7.4/9.5 litres/100 km*
Tires: P235/45 R18 all-season
V-6 badging

*Use kilometrage for comparison purposes only. Your kilometrage may vary.

†Includes a no-charge trial of 3 months, beyond which service fees apply. Available in 10 Canadian provinces and 48 contiguous U.S. states. See terms and conditions at www.xmradio.ca.

TSX PROTECTION PACKAGE

All-weather floor mats –
black or caramel
Rear splash guards

AERO KIT PACKAGE

Aero bumper – front
Aero bumper – rear
Side skirts

REMOTE ENGINE STARTER KIT

1. AERO KIT PACKAGE

2. REAR SPLASH GUARDS

3. LOCKING WHEEL NUTS

4. REAR WING SPOILER

5. ALL-WEATHER FLOOR MATS –
BLACK OR CARAMEL

- ACCESSORIES AVAILABLE:**
- 18" alloy wheel – ebony black
 - 18" alloy wheel – super-bright chrome
 - Aero bumper – front and rear
 - All-weather floor mats – black or caramel
 - Ashtray – cup holder style
 - Body side mouldings
 - Car cover
 - Cargo hook
 - Cargo net
 - Cargo organizer
 - Cargo tray
 - Door edge guards
 - Door visors
 - Engine block heater
 - Fog lights
 - Full nose mask
 - Hood edge deflector
 - Interior trim kit – dark metal
 - Locking wheel nuts
 - Moonroof visor
 - Rear backup sensors
 - Rear bumper appliqué
 - Rear decklid spoiler
 - Rear splash guards
 - Rear wing spoiler
 - Remote engine starter
 - Select knob – AT
 - Side skirts
 - Steering-wheel garnish – dark metal
 - Steering-wheel trim – perforated leather
 - Trunk edge and bumper protector

- 6. REAR BACKUP SENSORS
- 7. MOONROOF VISOR
- 8. 18" ALLOY WHEEL – EBONY BLACK
- 9. REAR BUMPER APPLIQUÉ
- 10. INTERIOR TRIM KIT – DARK METAL
- 11. CARGO HOOK
- 12. REMOTE ENGINE STARTER
- 13. CARGO TRAY

This year marks Acura's continued involvement with some of the world's most premier events and organizations. From our supporting sponsorship of the Masters Golf Tournament to our participation in the American Le Mans Series, Acura is proud of the role we play, drive and advance in North America.

Driving a luxury vehicle should go beyond engineering and amenities. That's why Acura is committed to ensuring your ownership experience is equally luxurious. New Acura owners benefit from four-year 24-hour Roadside Assistance, which includes Dispatch Emergency Roadside Service, Emergency Lockout Service and Traffic Accident Services. See your Acura Retailer for details.

WARRANTY

Your new Acura vehicle comes with the following warranties: Major Component (Powertrain) – 5-year/100,000-km limited warranty • Vehicle – 4-year/80,000-km Distributor's limited warranty • Rust Perforation – 5-year unlimited-distance warranty • Surface Corrosion – 4-year/80,000-km • Accessories – 4-year/80,000-km limited warranty (when installed by an authorized Acura Retailer at time of new vehicle delivery). Regular maintenance items and parts are subject to normal wear and replacement, and are not covered by warranty. Certain other items are excluded and certain conditions apply. See your Acura Retailer for details.

ACURA PLUS

Extend your worry-free ownership experience by purchasing additional coverage. Choose from Acura's flexible selection of Mechanical Coverage that extends up to 8 years or 200,000 km, whichever comes first. See your Acura Retailer for details.

LEASING AND FINANCING

Owning your Acura is easy. See your Acura Retailer for complete details on: Acura Leadership Leasing,* Acura Future Value Financing* and Conventional Financing.*

*A genuine service of Honda Financial Services. Conditions, restrictions and prepayment requirements might apply O.A.C. Acura Future Value Financing does not apply in the province of Quebec.
