

Over the Air System Updates

2019-20 RDX Adding Android Auto App Icon to the Home Page and Head-Up Display

November 4, 2019

INTRODUCTION

Software version D.1.2.1 adds Android Auto App to the audio system.

TO ADD ANDROID AUTO APP ICON TO THE HOME SCREEN AND THE HEAD-UP DISPLAY

NOTE

Head-Up Display only available for Advance trim.

1. Select the Home button on the touch pad to get to the Home page.

2. Swipe True Touchpad A to the right to display the **All Apps** screen.

3. Go to **Android Auto**, then press and hold True Touchpad A.

4. From the pop-up menu, select **Remove from Home Page** and **Remove from Heads-Up Display**.

5. Press and hold True Touchpad A to select the **Android Auto** app, then select **Add to Home Page** or **Add to Heads-Up Display**.

NOTE

The Home icon or HUD appears next to the app when the corresponding icon has been added to the Home page or Head-Up Display.

TO MOVE THE ANDROID AUTO APP ICON TO SHOW ON THE HOME PAGE.

1. Go to the **Android Auto** icon, then press and hold True Touchpad A.

TRUE TOUCHPAD A

NOTE

The screen will change to the customization screen.

2. Drag the **Android Auto** icon to where you want it to be, then press and hold True Touchpad A.

NOTE

- The icon will be repositioned, and the screen will remain in the customization mode.
- After you drag the icon, keep your finger on True Touchpad A and press down. If you release your finger before pressing True Touchpad A, the icon will remain in its original place.
- If you want to reposition the icon on another page of the home screen, swipe True Touchpad A.

3. Press the Back button or the Home button to confirm the change.
