**Driver's Dashboard Lower Cover Removal and Installation**

Removal

1. **Driver's Dashboard Lower Cover - Remove**

Fastener Locations
▷ : 9

1. Remove the driver's dashboard lower cover (A). To avoid whitening the dashboard cover at its clip bosses, start by gently and evenly pulling out on the lower edge of the cover to release its lower clips, then work your way up the cover to release its middle and top clips.

Installation

1. **Driver's Dashboard Lower Cover - Install**

Fastener Locations
▷ : 9

1. Install the driver's dashboard lower cover (A).
