

2013 Acura ILX – Tech Package - \$15,500

Immaculate one owner sedan! Crystal Black Pearl exterior with Black leather interior. Meticulously maintained with all records. Vehicle has 59,845 miles, most of which were highway miles. Car has always been garage-kept, exterior and interior are like new. Excellent gas mileage--car averages 35 highway, 28 mixed, and 24 city. I hate to have to sell the car, but limited commuting has me averaging 60 miles a week right now. This car is meant to be driven. The car is fully loaded as it has the tech package, aero kit (front, rear and side skirts, rear spoiler) and illuminated door sills all dealer installed at time of purchase.

- Navigation and ELS Dolby Audio System
- XM Radio
- Bluetooth Streaming Audio and Cell Phone Connectivity
- Text Message Reading/Reply
- Voice Command Navigation and Climate Control
- Power Driver's Seat
- Heated Driver and Passenger Seats
- 17" Wheels
- Anti-Lock Brake System
- Traction Control
- Tinted Windows
- Xenon Headlights

Avoid the dealer markup and buy privately. I have all records on the car and has been meticulously maintained since it was purchased new in October of 2012.
